Welcome!

Dear Lenzner Traveler,

As we put together the 2027 Getaway Guide, we can't help but reflect on the world around us. The headlines seem to bring a steady stream of inflation, rising costs, uncertainty, and conflict. It can be easy to get caught up in the noise—and sometimes, simply watching the news can leave us feeling discouraged.

But history reminds us that difficult times have come and gone many times before. Through it all, people have continued to gather with family and friends, make memories, explore new places, and enjoy the simple pleasures of life. While it is important to know what is happening in the world, it is equally important to step away from the noise and make time for the things that bring us joy.

What better way to do that than by traveling?

For 87 years, Lenzner has been helping travelers discover new places, make lasting memories, and enjoy the journey along the way. Our professional tour planners, guides, and motorcoach drivers take great pride in creating memorable experiences for our guests. From fascinating historic sites and unique attractions to delicious meals and quality accommodations, we take the responsibility of planning your getaway seriously—so you can simply sit back, relax, and enjoy the ride.

So, the next time the headlines become a little too much, turn down the noise and pick up your Lenzner Getaway Guide. Find a destination that catches your eye, give a friend a call, and start making plans. There's a whole world out there waiting to be explored—and we'd love to take you there.

Here's to new adventures, new memories, and plenty of good times along the way.

See you on board!

Jeff, Scott & Pat Greteman

What clothing should I bring on a tour?

Lenzner coaches are air-conditioned, so a light sweater may be advisable. If any additional attire is needed on a tour (i.e., formal wear) it will be listed on the itinerary/final confirmation. We recommend viewing the Weather Channel for accurate weather information.

How early should I arrive at my pickup?

Lenzner recommends that you arrive at your pickup point **at least fifteen (15) minutes** prior to the departure time for One-Day Tours. For tours requiring a passport and Multi-Day Tours, at least 30 minutes prior to departure.

Does Lenzner assign seats on the coach?

Under no circumstances can seats be reserved on the coach for any tour. Seats are available on a first-come, first-serve basis on the first morning of the tour. There will be a regular rotation of seats on tours of five days or more unless otherwise noted on the itinerary/final confirmation. Tour passengers who are traveling alone or in a small group with an uneven number are always welcome on our tours. However, due to the double seating on the coach, you may be asked to sit with another single or uneven numbered group so that we may accommodate all passengers traveling together. Small groups on the tours may not always be seated together. The seat directly behind the driver will be utilized by the Tour Director. Lenzner does not reserve seats for motion sickness. All passengers that are prone to motion sickness should consult their physician for medication to relieve the malady or try Sea-Bands® from your local pharmacy.

What if I need two beds in my room?

If you want two double beds, please request them **at the time of booking.** Lenzner cannot guarantee two double beds at every hotel.

What kind of identification do I need crossing the border or for international tours?

*Any individual without valid ID risks having the entire motorcoach upon which he/she is traveling, and all its occupants denied entrance to Canada or re-entrance into the USA.

*All passengers traveling to CANADA are REQUIRED to carry valid proof of citizenship consisting of a valid passport.

*A passport will be required for all AIR and SEA travel to or from Canada, Mexico, Central and South America, the Caribbean and Bermuda.

*Adults traveling in or out of the U.S. with children under the age of 18 should be aware of the following: because of increasing incidents of child abductions in disputed custody cases and as possible victims of child pornography, Customs and Border Protection strongly recommends that unless the child is accompanied by both parents, the adult have a notarized note from the child's other parent (or, in the case of a child traveling with grandparents, uncles or aunts, sisters or brothers, or friends, a note signed by both parents) stating "I acknowledge that my wife/husband/etc. is traveling out of the country with my son/daughter. He/She/They have my permission to do so."

*A valid passport is currently required for all tours to Europe.

*For non-citizens, it is the passenger's responsibility prior to the trip's departure to have the proper documentation and approval permitting entry into Canada, Mexico, the Caribbean, Europe and re-entry into the USA.

*Lenzner reserves the right to disembark any individual without valid ID at any time with no cost reimbursement.

*Lenzner reserves the right to deny boarding to all passengers who do not have proper documentation. Improper documentation will result in loss of total purchase price of the tour.

How much luggage can I bring on a tour?

Each passenger is allowed one suitcase (weighing no more than 50 pounds and no larger than 30 in. X 20 in. X 13 in.) without charge. Extra bags must be paid for at the rate of $5.00 per bag/per day with prior office approval. You may also bring a carry-on (18 in. X10 in. X 10 in.) which you are responsible for at all times. **When packing bags for an overnight tour, please do NOT place valuables, including jewelry, cameras, car keys, prescription medicines, etc., in any suitcase that will not be kept with you in your seat.** While we make every effort to safeguard your belongings, frequently the bags are out of our control when being loaded, unloaded, or transported to a hotel room. Lenzner cannot accept responsibility for baggage which may be mishandled (damaged) or which you choose to leave on the motorcoach overnight. A vehicle luggage bay can be broken into. Carrying important or valuable items separately will ensure that your trip will not be spoiled by the accidental loss of a bag.

Please be aware that hotel porterage (luggage handling) is increasingly difficult to guarantee at some hotel properties. While we make every effort to arrange and offer this service, if porterage is not available, the Tour Driver and Director can assist you if needed. However, to ensure timely delivery, passengers may have to be prepared to handle their own luggage.

When your tour ends, please be sure that you remove all your items before departing the motorcoach. Lenzner will not accept responsibility for returning or locating lost items.

What if I need to cancel my tour?

Advise the office of your cancellation by phone, email or writing. See page 40 regarding cancellation charges.

Written cancellation must be received before refunds are made. Refunds are returned by the same method as original payment.

We recommend that you purchase insurance, especially for Lenzner's longer tours. Our tour cancellation policy is outlined on page 40. It is recommended, to ensure no loss of money, that you find a replacement person(s) for your seat(s). Trip Cancellation Insurance is available only for motor coach tours through Travelex/Zurich Insurance (see page 43 for more details). Request insurance information at the time of booking. This policy must be purchased within twenty-one (21) days of making the deposit or initial payment on a tour.

Please inquire at the time of booking about travel insurance for air and cruise tours.

On your Lenzner tour, we take care of paying the following tips for you:

~Hotel service charges for all normal service (Excluding room service).
~Meal service for all meals included in your tour.

How does Lenzner accommodate single or odd numbered groups on the motorcoach?

The single traveler cannot occupy a double seat by themselves unless they wish to purchase this privilege. Singles or odd-numbered passengers will be asked to sit with other single passengers by the tour director or driver.

Will I receive confirmation of my reservation?

Yes, Lenzner sends a confirmation stating that reservations have been received by email.

Does Lenzner send out bills for final payment?

Lenzner DOES mail invoices for final payment (multi-day and cruises only). For multi-day tours, final payment is due forty-five (45) days prior to the departure date (unless otherwise indicated). For cruises, please see the tour description for the final payment date. Your canceled check or credit card statement serves as proof of payment. (See page 40).

ALL PAYMENTS ARE DUE PRIOR TO DEPARTURE!

Is there a minimum age on the tours?

Due to the nature of our tours, Lenzner requires that passengers be at least eight (8) years of age unless the tour description specifically states the age that is permitted on the tour.

How are the rooms configured for double, triple, and quad occupancy?

The double, triple, and quad occupancy is based on one room with either two, three or four people occupying that one room. The hotel configuration is generally two double beds. With triple and quad occupancy, people will have to share a bed.

What does Lenzner do in the event of inclement weather conditions?

The tours will go unless the roads to the destination have been closed. You will be notified by phone of the cancellation.

Are the motorcoaches equipped with electrical outlets and Wi-Fi?

All our fleet of motorcoaches are equipped with Wi-Fi and electrical outlets. However, there may not be an electrical outlet available at every seat. We recommend additional personal power sources be carried by passengers.

Are the motorcoaches wheelchair accessible?

Yes, Lenzner does have wheelchair accessible motorcoaches. You must disclose this need at the time of reservation or at least forty-eight (48) hours before the tour departure. The maximum number of wheelchairs that can be accommodated on the motorcoach is two (2). The wheelchair lift on the coaches has a maximum weight capacity of 500 pounds (combined weight of the wheelchair and the weight of the occupant). Please be aware that the wheelchair lift will NOT operate if the weight exceeds 500 pounds.

Note: There may be attractions or facilities that are used on the tours that are not handicapped accessible.

Does Lenzner limit the time the driver can drive?

Yes, Lenzner restricts the driving time of the driver. In 2016, Lenzner installed electronic logs on all the motorcoaches. This device tracks the driver's driving time and is monitored by the U.S. government for compliance. Because of this new regulation, some of the tours had to be shortened to remain in legal times. You will also notice that two or more drivers may be utilized on a tour. Lenzner embraces these changes because they are for the safety of our customers and employees.

Does Lenzner provide snacks or drinks on the motorcoach?

Yes, Lenzner provides snacks and bottled water onboard the motorcoach for multi-day tours only. If you have a medical condition that requires extra food and/or a drink, you are welcome to bring your own just in case the coach is delayed by traffic or other circumstances and cannot make a rest stop.
